Please be aware that your CSA membership is non-refundable. We cannot guarantee each crop will flourish. In fact, some crops may fail or yield less, while others thrive. We will embrace the weather given to us and use it to the best of our ability. We encourage you to thoroughly read the FAQ on our website or ask us for clarification to make sure you understand the parameters of the program. You will also find the pick-up days and times on the website. Summer 2018 Veggie Membership will run for 16 weeks. Anticipated start date for the 2018 Summer CSA is June 12th and will conclude September 27th.
